ABOUT @NERDIA.NADIA

Nerdia Nadia is a young woman striving to find balance in her multifaceted life through combining all of her passions. she is a full time mechanical engineer in the automotive industry, which brought her to Detroit after graduating from the Illustrious North Carolina Agricultural & Technical State University. (Aggie Pride!) she is equally creative in math as she is in the arts so she models, photographs and creates in numerous other capacities. through transparently sharing herself with the world she hopes to inspire others to do the same and encourage everyone to do self work to make this ride of life the very best it can be!
